

**Dr. Lisa Zimmermann MD**  
**776 Shrewsbury Ave Suite 103**  
**Tinton Falls NJ 07724**  
**732-440-4782**

### **Payment Policy**

Dr. Zimmermann is an out-of-network provider and does not accept any healthcare insurance plan. Payment in full is due on the day of your appointment or when services are ordered/ rendered. We accept all major credit cards, debit cards, health or flex care spending cards, and cash. At this time, we do not offer payment plans nor accept checks. All outstanding balances must be cleared prior to scheduling your next appointment.

For non-Medicare patients, we can provide a “superbill” for all doctor visits. This form meets the legal requirements of the Healthcare Financing Administration which includes the use of the International Classification of Diseases (ICD-10) medical coding. This form is entirely sufficient by law for reimbursement by your insurance company. If you have any inquiries about reimbursement rate or amount, please contact your insurance provider directly. It is the patient’s responsibility to submit all reimbursement claims to their insurance provider. At this time, Medicare patients do not qualify for reimbursement and cannot be offered “superbills”.

For all supplements, herbal medicines, and other medical services, our office can provide you with a receipt. This can be used for tax purposes or potentially towards flex or health spending accounts. Typically, insurance companies will not offer any reimbursement for these services.

Thank you for your understanding and cooperation with our payment policies.
